

JAE 2004 - Bulletin 3

Car Clubs' Location

Page two is a map showing the location of all the Car Clubs booked so far. We are still receiving applications so there may be some changes yet, but we hope to keep it exactly as shown.

On arrival would each Car Club Event Coordinator please contact **Claire Williams**.

We have imposed a strict one-way system. This is for your benefit as all the signs are orientated one way and finding your stand should be easier if you follow the signs. JAE is a great event and a lot of people like to wander around from club to club/car to car. Please bear this in mind when driving around the arena and please help us make it a safe and enjoyable event for all.

Trophies

Best Classic Car (sponsored by Classic Catering)
Best Club Stand (sponsored by the Organisation)
Best Modified Car (sponsored by Billing Aquadrome)
Best Concourse Car (*sponsor to be confirmed*)

Camping

We have tried to make available sufficient space around the outside of the arena for you to pitch your tent. If you want to use these areas you may leave up your tent. If you wish to camp on your Club or Trade Stand, your tents must be down by 9am at the latest. If you have a 'Club Tent' or Gazebo, this may be left up during the day, provided you have the space.

Photographs

Get your Club or car photographed
CM Photography are proud to cover JAE 2004 and specialise in Event and Show photography, hoping to capture the excitement and fun of the JAE weekend. All images will be available for purchase at greatly reduced rates! In addition CM Photography hope to provide novelty goods from the images.
